

RORSCHACH

PERFORMANCE ASSESSMENT SYSTEM

Rationale, Administration, Coding, and Interpretation

August 7–10, 2017

This workshop is a comprehensive introduction to understanding the foundation for R-PAS and using it in applied practice. It is ideal for those with no previous Rorschach training or experience, as well as for clinicians and instructors with previous Rorschach training who want a thorough “hands-on” understanding of R-PAS.

The workshop alternates between lecture, presentations, and interactive experience with all aspects of R-PAS administration, coding, and interpretation.

It is limited to 70 participants, so early registration is recommended.

For a detailed schedule and online registration, please visit: commerce.cashnet.com/rpas

PRESENTERS

Philip Erdberg, PhD, ABPP, is a diplomate in clinical psychology of the American Board of Professional Psychology.

Donald Viglione, PhD, ABAP, is a Distinguished Professor at the California School of Professional Psychology at Alliant International University.

FEES

\$600 if registered by June 30, 2017, or \$700 after that date.

University of Hartford Practicum Supervisors will receive a 20 percent discount off the full cost of registration.

Continuing Education Credit: Participants in this program are eligible for 24.5 hours of continuing education credit. The program must be completed in its entirety to qualify for this credit (i.e., partial hours cannot be accommodated). CE Fee: There is an additional \$15 charge to obtain a CE certificate. If you wish to receive CE, please select this option when registering.

Online registration: Please visit commerce.cashnet.com/rpas
